FOREWORD

The Trust Department of the Merchant's National Bank of New Bedford, Mass. have commissioned us to offer at Public Auction, without limit or reserve, the entire

KNOWLES COLLECTION "EVERY COIN SINCE COLUMBUS"

This magnificent collection is one of the most extensive ever offered the American Numismatist, and we do hope that you examine the contents of this catalogue carefully. The choice and scarce examples are so numerous that it would be useless to designate any special rarity. The descriptions in the catalogue are as complete as possible without having to read any unnecessary text. The plates exhibit many of the highlight coins.

The Knowles family of New England were no ordinary coin collectors. World travellers and students of history this numismatically enterprising Yankee family set out to collect *every coin issued since Christopher Columbus discovered America*. In thirty odd years of arduous research and industrious collecting, the Knowles family and their agents in twenty-seven foreign countries, and their sub-agents in ten more lands, brought together a total of nearly 20,000 varieties of foreign and domestic coins issued since the Queen of Spain sent Captain Columbus on his fabulous mission to find a Western passage to the gold-rich Indies. No museum in the world has every coin issued, nor can there ever be absolute completeness in so difficult a field as numismatica. But as close as anyone ever got, the Knowles family achieved. This collection is 100% complete in many series, 90% complete in others.

We can conscientiously assert that between the seller and the purchaser our position in describing the coins is neutral. We are ready to correct any error in cataloging when brought to our attention. Please check your bids carefully, make sure you are bidding on the lot that you wish to buy. We cannot be responsible for any errors on your part.

This extensive collection should have some lots in it to interest every collector, and we hope everyone will submit all the bids he can make. All bids, large and small, will receive careful attention.

Thanking our many friends and customers for their liberal support and loyalty in the past, and striving to merit a continuance of same, we remain,

Sincerely,
